FRIENDS OF TAMANEND INTERNATIONAL COASTAL CLEANUP

The activist is not the man who says the river is dirty.
The activist is the man who cleans up the river. - Ross Perot

The Friends of Tamanend Park will team up with Parks and Recreation staff and the Ocean Conservancy on Saturday, September 15, 2018 to participate in the 2018 annual International Coastal Cleanup. Gloves and trash bags will be supplied to all of the volunteers and light refreshments will be available. You may be wondering what Tamanend Park has to do with the Atlantic Ocean. Well, we have a stream running through the Park. This is considered an inland waterway and the water in it eventually reaches the ocean, bringing along with it polluted runoff to become marine debris. The health of all our rivers, streams, tributaries and lakes, and eventually the ocean, depend on the efforts of all our citizens. **Join us in 2018!**

Families, Scout troops and citizens are all welcome to help with the cleanup.

PARK GIFTS & PATRONS

Park Patrons is a Parks & Recreation initiative that enables groups, individuals and businesses to assist with improvement projects and maintenance of Upper Southampton parks. Join us today!

Tamanend Park Herb Garden Club

Our History: The Tamanend Park Herb Garden Club was started in the summer of 1983 by four residents of Upper Southampton Township who were interested in herb gardening and herb use.

Annual Herb Sale: On the third weekend of May every year the Herb Club holds their annual herb sale. This is held in conjunction with the Art Club art sale. Profits raised by the herb sale go towards high school and college scholarships. The Club gives two \$1,000 college scholarships to students planning a career in horticulture.

Meetings: The Herb Garden Club meets on the third Wednesday of each month from January through November. Meetings start at 7:00 PM at the Farmhouse in Tamanend Park with a brief business meeting, followed by a guest speaker or a group activity. Dues are \$10 a year.
